

The Salvation Nail

*We can find life's answers -
just look upon our tree!
A reminder pointing simply
that Christ's salvation's free!*

*Jesus was born a baby,
His star up in the sky,
but that was only the beginning;
He really came to die.*

*His nail-pierced hands, the blood He shed...
As He hung upon that cross,
It all reminds me here at Christmas,
If not for Him, I'd still be lost!*

*The colored beads tell me
the way to Heaven is clear.
His death, His burial, His resurrection,
Paid the way for me to draw near.*

Black = Sin separates me from God

*So let's take time to seek Him out

A heartfelt prayer is all it takes-
a surrender of our will.*
